Open Call for Collaborative Residencies

cc Ringenberg #2
01.09.–30.11.2021

Schloss Ringenberg starts the second round of the cc Ringenberg scholarship. With its spacious residential studios, the residence center offers unique conditions for testing agile forms of work, interdisciplinary exchange and interaction with the local community. Whether temporary project communities, long-term collectives or young initiatives – in 2021 the focus is on the collaborative art production.

cc Anchor

The cc Ringenberg #2 scholarship addresses transmedial and participatory artist collectives and project groups that want to explore the interaction of art and current social challenges in the discourse of co-production. cc Ringenberg #2 anchors with the local people and is a central component of the reorientation of the castle as a DRITTER ORT.

cc Network

cc Ringenberg #2 is part of the transnational program BORDERLAND RESIDENCIES, which offers added value of networking, qualification and visibility in the network of six residency locations in Hammingeln, Mönchengladbach, Neuss, Venlo, Venray and Viersen.
